

Happy New Year

A large, stylized silhouette of a horse is cut out from a textured, aged paper background. The horse is facing left and is rendered in a dark, almost black color, contrasting with the lighter, yellowish-tan background. The background has a mottled, watercolor-like texture with various shades of yellow, green, and brown. The overall composition is simple and elegant, typical of a New Year's greeting card.

皆様のご健康とご多幸を
